## SUPERINTENDENT OF SCHOOLS REPORT

To the School Board and Citizens of Richmond:

I have the honor to submit my sixth annual report.

ENROLLMENT: The enrollment in the Richmond schools during the fall term was 25. The following table shows the distribution by grades.

School:	I	II	III	IV	V	VI	VII	VIII	Total
Four-Corners,	1	4	1	2	1	3	4	0	16
North Richmond,	1	1	3	0	2	0	2	0	9
Total,	2	5	4	2	3	3	6	0	25

In addition to these twenty-five pupils registered in the Richmond schools, there is one Richmond pupil in attendance at the Cutler School in Swanzy. The number of pupils attending high school this year from this town is 17, most of them registered at Keene High School. The registration this year is the lowest recorded in Richmond, at least since the year ending June, 1924. At that time, the statistical reports show that the total enrollment was 73 of which only 2 pupils were in high school attendance.

TRANSPORTATION: Mr. Howard Baird was able to transport all children required by state law to be transported and to continue the consolidation of routes set up last year. However, it was necessary in the fall to extend his route around Sandy Pond in order to pick up one pupil. Winston Roy, a pupil in the sixth grade at the Cutler School, is transported by one of the Swanzy conveyors.

A new arrangement was entered into this year by some of the parents in having their children transported to the Keene High School by Mr. John Hale of Swanzy at their own expense. The Office of Defense Transportation certified this route and

sufficient gas was allotted to maintain it. Many towns in the state are paying out of school funds the charges incurred for the attendance of children at high school. It would seem to be a wise educational policy for any school district to do so.

**HEALTH:** Miss Margaret E. Harris has continued as school nurse for the present year. The physical examinations were conducted by Dr. George Emerson of Fitzwilliam. The follow-up work is in the hands of Miss Harris. The hearing tests were administered under her supervision by means of the audiometer secured from the State Board of Education. No impairment of hearing was found in the case of any child tested. Miss Harris has visited the classrooms twenty times and has made seven home visits in the interest of the health of the children.

In conclusion, I wish to express my appreciation to the teachers and pupils, to the School Board, and to the parents and patrons of our schools for their cooperation.

Respectfully submitted,

CHARLES W. WALKER,

Superintendent of Schools.

February 21, 1944.
